

MODO (w/o MODTRAN[®] 5)

END USER LICENSE

This End User License and Non-Disclosure Agreement (the “Agreement”), effective as of the date on which ReSe Applications Schl pfer (“ReSe”) accepts the order for MODO software as described in the Attachment to this Agreement (the “Software”) from the person or entity as listed during the software registration process (“Licensee”), is entered into effect by ReSe and Licensee.

In consideration of the mutual covenants set forth herein and other good and valuable consideration, ReSe and Licensee agree as follows:

- 1. Grant of License; Restrictions.** ReSe hereby grants to Licensee a non-exclusive, non-transferable license to use the Software, subject to the following conditions:
 - a. The number of copies and scope of license (Site License; Standalone License, etc.) and type of license (Educational Use; or Commercial Use) are listed on Exhibit A to this Agreement. Licensee shall not make or use copies of the Software in excess of the number or beyond the scope of the licenses listed on Exhibit A.
 - b. The Software bears the legend “The MODTRAN[®] trademark is being used with the express permission of the owner, the United States of America, as represented by the United States Air Force.” Licensee shall not alter or remove this legend.
 - d. The Software contains proprietary and confidential information of ReSe. Licensee agrees that it will not disclose the Software to any third party. Licensee may NOT include the Software in any commercial and/or proprietary venture or as a subroutine (including spawn, runtime executable, DLM, etc.) or feature of a deliverable product without first obtaining the requisite sublicense from ReSe or unless previously negotiated under the terms of a separate sublicense with ReSe.
 - e. Licensee shall comply with all applicable laws and regulations governing the use and disclosure of the Software, including, without limitation, U.S. Export Administration Regulations, ITAR and other laws and regulations governing the exportation of computer software and the products thereof.
- 2. Term and Termination.** The license granted pursuant to this Agreement will continue indefinitely for as long as Licensee remains in compliance with the terms hereof but shall terminate automatically if Licensee fails to comply with any term or condition of this Agreement. Upon the termination of this Agreement, Licensee will promptly destroy all copies of the Software and certify such destruction to ReSe.
- 3. Certain Licensee Responsibilities.** Licensee is responsible for the supervision, management and control of the use of the Software, including but not limited to: (i) complying with all laws in its use of the Software; (ii) selection of the Software to achieve Licensee’s intended results; (iii) establishing adequate test and backup procedures to verify accurate data and to prevent the loss of data in the event of a malfunction of the Software; and (iv) establishing adequate test and backup procedures to verify accurate data and to

prevent the loss of data in the event of a version upgrade of the Software. Licensee understands that the Software is a tool that can be used to create algorithms, processes and products that may infringe third party intellectual property rights. Software bugs are to be reported to ReSe upon recovery. Licensee assumes full responsibility for the results of its use of the Software and agrees to indemnify and hold harmless ReSe from and against any claims that algorithms, processes or products created by Licensee using the Software infringe any third party intellectual property rights or other rights.

4. Disclaimer of All Warranties. Licensee acknowledges that the Software and any documentation and maintenance provided therewith are provided “AS IS” and without warranty, express or implied, of any kind. The licensee acknowledges that it is not possible to produce software free of mistakes based on the current state of technology and that herewith errors in the software and its documentation can not be excluded. WITH RESPECT TO THE SOFTWARE, DOCUMENTATION AND MAINTENANCE, RESE AND ITS LICENSORS SPECIFICALLY DISCLAIM ALL IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF NONINFRINGEMENT, MERCHANTABILITY AND FITNESS FOR PARTICULAR PURPOSE.

5. Limitation of Aggregate Damages. Licensee agrees that the aggregate liability of ReSe in connection with this Agreement and/or the use of the Software, documentation and maintenance provided hereunder shall not exceed the fees paid to ReSe for the use and/or maintenance of the Software during the twelve months immediately preceding the event that gives rise to the alleged liability, whether such liability arises by contract, tort (including negligence) or strict liability. An essential purpose of the limitation on damages provided in this Section is the allocation of risks between Licensee, ReSe, SSI and the U.S. Government, and Licensee acknowledges that ReSe would not have been willing and would not have the right to license the Software to Licensee in the absence of the limitation set forth in this Section 5 and the exclusions set forth in Section 4 above.

6. Ownership; Non-disclosure. ReSe retains all right, title and interest, including without limitation all copyright, trade secret, and other proprietary rights, in and to the Software and the documentation (the “Proprietary Materials”). Except as specifically authorized by this Agreement, Licensee shall not disclose, sell, lease, transfer, sublicense, dispose of, or otherwise make available the Proprietary Materials or any portion thereof, in source or object code, to any third party. Licensee agrees that dissemination of the Proprietary Materials in breach of this Agreement would cause irreparable harm to ReSe for which monetary compensation alone would be inadequate, and ReSe is entitled to injunctive relief prohibiting any such dissemination without the necessity of posting bond, in addition to any other remedies available at law or in equity. This Agreement is NOT a sale of the Proprietary Materials or any copy of them. Licensee obtains only such rights as are provided in this Agreement.

7. Force Majeure. ReSe shall not be liable for any failure to perform hereunder to the extent that such failure arises by factors outside ReSe’s reasonable control, including but not limited to Acts of God, war, terrorism, natural disaster or third party transportation and communications failure.

8. Assignment. Licensee may not sell, license, assign, or otherwise transfer the Software or the documentation without the written permission of ReSe, which may be withheld in ReSe’s sole discretion. Any such sale, license, sublicense, assignment, rental or transfer in breach of this provision shall be void.

9. Amendment; Waiver; Severability. No alteration, amendment, waiver, cancellation or other change to this Agreement shall be valid or binding unless agreed to in writing by both parties. No waiver by any party of a breach of any covenant or condition of this Agreement by any other party shall be construed to be a

waiver of any succeeding breach of the same or any other covenant or condition. If any provision of this Agreement, or the application thereof, shall for any reason and to any extent be determined by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions of this Agreement shall be interpreted so as best to reasonably effect the intent of the parties. The parties further agree to replace any such invalid or unenforceable provisions with valid and enforceable provisions designed to achieve, to the extent possible, the business purposes and intent of such invalid and unenforceable provisions.

10. U.S. Government and Spectral Sciences Not Parties. The U.S. Government and Spectral Sciences are not a party to this Agreement.

11. Acknowledgement; Entire Agreement. Licensee ACKNOWLEDGES THAT IT HAS READ THIS AGREEMENT, UNDERSTANDS IT AND AGREES TO BE BOUND BY ITS TERMS AND CONDITIONS. Licensee FURTHER AGREES THAT IT IS THE COMPLETE AND EXCLUSIVE STATEMENT OF THE LICENSE AGREEMENT BETWEEN Licensee AND ReSe WHICH SUPERSEDES ANY PROPOSAL, OR PRIOR AGREEMENT, ORAL OR WRITTEN, AND ANY OTHER COMMUNICATIONS BETWEEN Licensee AND ReSe RELATING TO THE SUBJECT MATTER OF THIS LICENSE AGREEMENT.

12. Certification. Upon ReSe request, Licensee agrees to provide certification of compliance with all terms and conditions of this Agreement.

IN WITNESS WHEREOF, the Licensee has executed this Agreement by online registration at <http://www.rese.ch/registration> and payment of the software fee.

EXHIBIT A: SOFTWARE LICENSE PURCHASE SCHEDULE

Type of License

1. Educational Use. Educational Use licenses shall be used exclusively in connection with non-commercial research being performed by college and university researchers. Work being performed for commercial entities does not qualify as an Educational Use.

2. Commercial Use. All licenses that are not Educational Use licenses are deemed to be Commercial Use licenses.

Description of Software

The MODO software, version 5 is a complete graphical user interface to the MODTRAN[®] 5 software, NOT including MODTRAN[®] 5 executables and its inherent components and databases. MODO contains GUI tools for eased interfacing with MODTRAN[®] 5 which are created and maintained by ReSe. The MODTRAN[®] 5 software is to be licensed independent of MODO to make use of the full functionality of the Software.

Scope of License

Use of the MODO software, version 5 is limited to Licensee's internal uses at one physical site, or in the case of personal laptop use, users whose primary place of business is a single physical site. Licensee may report on results obtained with the MODO software and should duly reference the software in reports and papers.

Number of Units

1. Single License. The Licensee may install the software on one fixed computers at a site and allow it to be used by up to three personnel who are part of a workgroup or unit. Name and email address of each authorized user should be provided to ReSe. One additional installations on one portable device, such as a laptop, designated to the users and under permanent control of the workgroup is allowable, so long as use is limited to the authorized users.

2. Group License. The Licensee may install the software on up to four fixed computers at a site and allow it to be used by up to three personnel who are part of a workgroup or unit. Name and email address of each authorized user should be provided to ReSe. Additional installations on up to three portable devices, such as laptops, designated to the users and under permanent control of the workgroup are allowable, so long as use is limited to the authorized users.

Support and Maintenance

Maintenance releases to the Software are included for a duration of two years after acquisition as far as made available by ReSe. The Licensees acknowledges that ReSe has no obligation to provide any software update and maintenance service. Limited email support by ReSe is included in the license fee for a duration of one year after acquisition of Software. Support is limited insofar that MODO is an expert system and requires dedicated training for efficient use by an end user which can not be covered by standard email support.

The names and email of authorized users as well as the details regarding the site and workgroup or unit are to be provided upon registration of the software at <http://www.rese.ch/registration> or in written to ReSe Applications Schl pfer.
